F.3 TERM OF BASIC CONTRACT

The period of performance consists of one (1) five-year base period plus one (1) three-year option period and one (1) two-year option period (Ordering Period of Performance). The Government may unilaterally exercise the option periods.

Base period	10/16/2017 through 10/15/2022

F.4 TASK ORDER PERIOD OF PERFORMANCE

The term for each Order placed under the Basic Contract shall be specified in the individual Order. Under no circumstances may an Order be placed under the Basic Contract if the Basic Contract has expired, or has been terminated or cancelled by the Government. Based upon the schedule in F.3, the Base Period expires October 15, 2022. If all options are exercised, the Basic Contract will expire on October 15, 2027. After the CS3 basic contract term expires, CS3 will remain an active contract until the final task order is closed-out and shall govern the terms and conditions with respect to active task orders to the same extent as if it were completed during the CS3 basic contract term.

Accordingly, the cumulative term of CS3 basic contract may span up to 10 years. No individual task orders may exceed ten (10) years, inclusive of options, from the date that the task order is placed; the cumulative term of all task orders placed under CS3 may span up to 15 years.

Notwithstanding anything to the contrary above, an ordering agency may place a multi-year task order under the CS3 Basic Contract; a task order using multi-year contracting methods must be consistent with FAR Subpart 17.1 and any applicable funding restrictions.
