CS3 RFO Modification, SF30 Continuation Page

The purpose of this modification is to incorporate applicable Revolutionary Federal Acquisition Regulation Overhaul and Revolutionary GSA Acquisition Regulation Overhaul updates into the contract, as implemented through the GSA Class Deviations.

1. Contract Refresh. All updated contract sections are attached to this modification and are reissued to incorporate the applicable deviation FAR and GSAR updates, remove obsolete references, and make administrative and conforming edits consistent with the updated FAR and GSAR framework. Sections identified as having no substantive change are reissued for completeness only.

2. Applicability to Orders. The changes made by this modification apply to orders issued on or after the effective date of this modification. For existing orders, the changes apply only to prospective performance remaining on or after the effective date of this modification, unless otherwise stated in the individual order.

3. Interim Deviation Authority and Later Codification. These changes are incorporated on an interim basis pursuant to the applicable GSA Class Deviation(s). Upon codification of the applicable model deviation text in the FAR and GSAR, the codified FAR and GSAR text shall automatically supersede the deviations and be considered permanently incorporated into this contract. No additional contract modification will be issued for this purpose.

4. Contract Value. The estimated total dollar value of the contract remains unchanged.

5. No Other Changes. Except as expressly provided in this modification and its attachments, all other prices, terms, and conditions of the contract remain unchanged and in full force and effect.
