

TRICS 12R Discontinuation Notification

ARLINGTON, VA, November 7, 2016 - This release serves as formal notification that By Light Professional IT Services, Inc. is discontinuing the production and support of the TRICS 12R. By Light acknowledges the obligation to promptly inform customers of the intent to retire products to facilitate a smooth transition to new, functionally equivalent products.

TRICS 12R Discontinuation Conditions:

All sales of TRICS 12R units and supporting hardware/software are terminated as of this notice. Maintenance support will continue until December 31, 2016 for existing TRICS 12R systems. Through March 31, 2017, By Light is offering 50% discounts on the trade in of TRICS 12R units on like numbers of ROIP ports using new TRICS 2M, 4R or 8R systems. Please refer to our Products page at www.bylight.com/trics for additional TRICS product information.

By Light appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply future product requirements with our world-class quality product lines. To best serve you, all inquiries and requests should be directed through the normal sales channels.

About By Light:

By Light Professional IT Services, Inc. is an ISO 9001:2008 registered and certified Service-Disabled Veteran-Owned Small Business (SDVOSB) that provides a full range of hardware and software engineering services to defense, civilian, and commercial customers worldwide.
